BUSINESS BLOSSOMS WITH SOUTHALLS SAFETY SUPPORT FROM ROOT TO TIP

The green fingered family at Ruxley Manor Garden Centre have been transforming gardens across Kent since 1964. Over the years, investment and expansion has lead to exciting new departments, impressive seasonal events and inspiring activities engrossing children and bringing entertainment, amusement and joy to all ages of the community.

BLOSSOMING AND THRIVING

Ruxley Manor Garden Centre don't like to rest on their laurels! As new ideas emerged and flourished they realised they needed health and safety support to ease the burden of legal compliance.

Southalls came highly recommended for their knowledge, experience and Safety Cloud software solution. Now, as the garden centre blooms, their day to day safety management is well delegated, on time and on track through Safety Cloud.

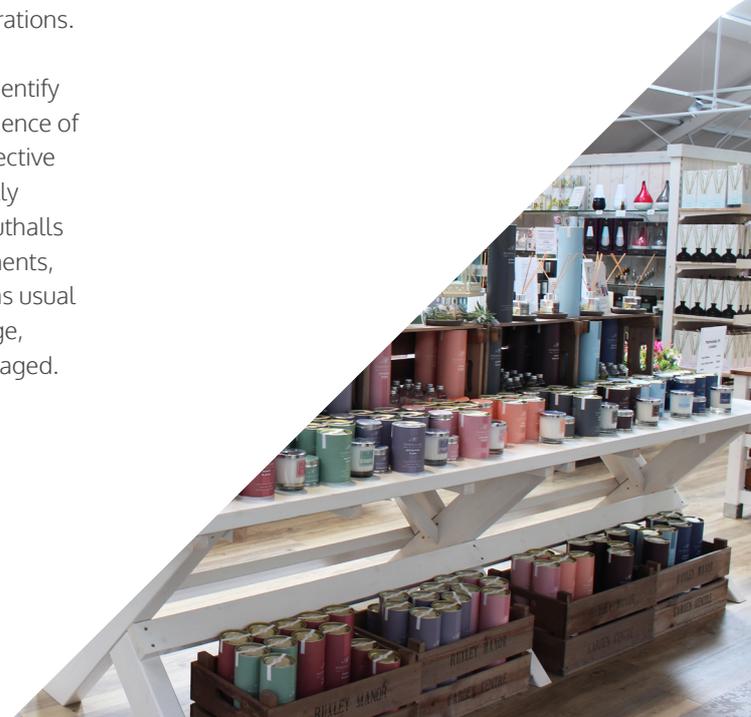

Email reminders keep staff trained, equipment and facilities maintained, safety checklists completed, accidents logged and reassuringly provides management with a quick glance overview.

GROWING FRESH PERSPECTIVE ON RISK

Ruxley Manor offer customers multiple departments from landscaping to pets, play areas to high quality dining. Seasonal events and attractions, from enchanted forests to ice rinks and even a special visit from Santa! Whatever your age and whatever the weather the whole day can be enjoyed at Ruxley Manor but for this to run professionally and smoothly there are numerous safety considerations.

Southalls 6 monthly audits identify the risk areas and their experience of the sector brings fresh perspective on workable and commercially sensible safety solutions. Southalls assess and draft risk assessments, freeing up time for business as usual whilst secure in the knowledge, health and safety is well managed.

DEFINING SAFETY EXCELLENCE.

ADVICE FROM ROOT TO TIP

Ruxley Manor provides expert gardening advice for gardeners across Kent. Receiving expert health and safety advice specific to the complexities of the garden centre environment from the consultants at Southalls is indispensable. Food hygiene and food safety operations in their restaurants is also covered as part of Southalls remit, leaving no stone unturned.

FAMILY AT THE CORE

As a family business, staff at Ruxley Manor feel like part of the family. As well as providing a safe environment for customers, Ruxley Manor are investing in a safe place of work for their staff. As a family business itself, Southalls also share in these values and this is evident in the way they operate.

“Southalls have been a great addition to our business. Their knowledge of health and safety is second to none and their tailored risk assessments have been a huge time saver, even covering seasonal activities such as our Santa’s grotto

and ice rink. As ex-EHO’s they can also conduct food hygiene audits of our restaurant - keeping us on track with health and safety and food hygiene requirements across our entire site. They will assist us immediately if we introduce a new piece of equipment to ensure we are aware of what our requirements are.

Safety Cloud has also been an asset for our business - engaging staff at all levels through the bespoke audit checks, accident logs, training and equipment maintenance. Being able to see what training our staff have at the click of a button is great. We feel confident our business is safer and stronger with the support of Southalls and Safety Cloud. “
